## communication for sports clubs

"...every club has difficulty communicating with everyone that needs to know what is going on..."

SportsApp does it for you

simply  
effectively  
affordably

- Push Alerts
- Integrate with your website
- Connect with your Social Media page
- Fully customise with your club branding/colours
- Track statistics
- Location based services (GPS)
- Content Management System (update it yourself!)
- Listing on iTunes & Android App Stores

### Choose your content:

- Events
- News
- Results
- Schedules & Calendars
- Galleries
- Whatever you like!
